I am raising funds to support my school chaplaincy by participating in Spin Off 2018.

Spin Off is an exciting stationary gym bike challenge where teams compete against each other to ride the furthest and raise the most money. Teams consist of 5 to 10 competitors who will 'push the pedals to the max' over a 30 minute period. The overall aim is to be the team who pedals the most kilometres during this time...

Every day, SU QLD chaplains, or 'chappies', provide spiritual and emotional support to school communities. They are in the prevention and support business: helping students find a better way to deal with issues ranging from family breakdown and loneliness, to drug abuse, depression and anxiety. They provide a listening ear and a caring presence for children and young people in crisis, and those who just need a friend. They also provide support for staff and parents in school communities.
